

 **POSCH**  
LEIBNITZ

# Chopping with real ease

**A POSCH chopper easily shreds all pieces of scrap wood.**

The sturdy, high-quality machines quickly turn any kind of scrap wood into small pieces. Shrubbery, tree cuttings and scrap wood from your farm or garden quickly disappear in the large funnels and are quickly turned into useful material for composting or mulching.

## **ProfiHäcksler**

**For compost preparation**

see page 144

## **HackBlitz**

**For shredding timber**

see page 144

### Valid from 01 March 2021.

All former price lists and additional price sheets become invalid upon publication of this list. Please specify the article number and the name of a product when placing an order. All information about technical data, dimensions, pictures of the machines and changes of safety-related standards are subject to further development and are consequently not binding for the delivery in every case. When machines and spare parts are exchanged, the return delivery must be freight cost paid. Custom-made products cannot be returned.

Please note: If individual parts supplied as standard equipment (e.g. V-belt pulleys, etc.) are returned, only 50% of the spare part price can be credited. Requirement: Parts are deemed to be like new and they are delivered carriage-free to the works in Leibnitz (Austria) or the branch establishment in Velden/Vils (Germany). All rights reserved. Reprinting – also of extracts – only permissible with the approval of POSCH.
